Bridal Party Agreements and Information:

- The bride or “key contact” listed above are the only authorized persons to submit/request any changes to the wedding party schedule. Please be sure your bridal party members are aware of this.
- A schedule will be sent to the email provided. The bride must thoroughly look through schedule and notify us of any changes before the schedule is finalized. Once the schedule is finalized all changes must be made before 72 hours of the wedding date.
- Any changes/cancellations must be in writing or through email.
- We do not require a trial, but it is recommended. We also recommend scheduling the trial within 2-3 months of the wedding date if possible.
- The bride understands that a credit card will be placed on file to reserve/secure the appointments on the above date. The credit card will not be charged as long as there are no cancellations after 72 hours notice.
- The bride agrees to the scheduled appointment times given on the attached intake forms, and the prices listed.
- The bride will inform Studio Style and Spa of any members of the wedding party that have exceptionally long and/or thick hair, or that requires intricate design work. In order for the appropriate time allotments to be made. The bride understands there will be additional charges for such instances. The amount for the additional charge will be decided by the stylist, and requires an in-person consultation to be determined. This consultation may take place on the day of the appointment prior to styling the hair.
- Airbrush makeup may not be available on your wedding day if we do not have a trained service provider available. You will be notified if you have requested airbrush makeup and it is not available and given the option for standard makeup application if time permits.
- Bridal appointment costs do not include gratuity.

Travel/Booking outside of business hours Bridal Party Agreements:

- The bride understands that there is a \$20 fee **PER person, PER service**. This means **each service** requires an additional \$20 fee if travel is required.
- The bride understands that there is a \$20 fee **PER person, PER service** if the salon must open on a Sunday or before or after normal business hours. This means **each service** requires an additional \$20 fee if opening outside of business hours is required.
- On site appointments must be paid with cash or check.
- If the venue is more than 1 hour from the salon further compensation may be required for travel.

CANCELLATION/CHANGES:

Studio Style & Spa will do our best to accommodate any appointment changes requested. Please note, there is a high demand on our time for wedding services, therefore the following cancellation policy is in place.

- Any changes or cancellations made to this contract must be submitted through email or in writing. Only the bride or key contact may submit changes or cancellation requests.
- Appointment cancellations or “no shows” made after 72 hours of the event will be charged 100% of the appointment cost. The decision of who makes the payment if any missed appointments or cancellations that take place after 72 hours will be up to the bride. If the bridal party member does not pay for the appointment the credit card number given will be charged. The bride will receive a notice by mail and/or email if the credit card must be used.

- The bride understands that the credit card on file will be charged for members of the wedding party who miss or arrive late on the day of the event.

ON THE DAY OF THE EVENT:

We want to ensure that your special day goes as smoothly as possible for you. After many years of experience we have found the following points to be the best way to avoid any added stress or possibility of errors on your special day.

- The bridal party members must arrive on time for their appointment. We realize time is extremely important on your wedding day and we do not want our guests feeling rushed in any way. We also want our service providers to have adequate time to perform your services and also stay on time for the guest that have appointments following yours.
- If a bridal party member is late for their scheduled appointment, their appointment will be shortened, thus they may have to alter their desired style. If they are more than 15 minutes late, they will forfeit their appointment if the stylist's schedule does not allow them to start late. In either of these events there is no price adjustment or refund.
- Each appointment scheduled for a bridal style must arrive with clean, dry hair. (It is best to wash the day/night before as it will maintain its style better if not freshly washed.)
Bridal styles do not include blow drying. If there is a need to do so a \$10 fee will be applied and your appointment may be shortened. The only exception to this is if the appointment is booked as a bridal shampoo & style (Many mother of the bride/groom chose this option if they have short hair).
- If a member of your bridal party decides to not receive a scheduled service this is considered a cancellation, and they will be charged according to our cancellation policy stated in the "cancellation/changes" section.
- If makeup services are being performed, please be sure that they arrive with a clean face, with only moisturizer applied.
- Please remind your bridal party to wear button down shirts.
- Please ensure that each member of your party is scheduled for the services they need on the intake form. We will do what we can to accommodate additional guests or services for your party, however, that is not always possible.
- Feel free to bring snacks & beverages for your party, we will set up a table for you.
